NOTICE OF AUTHORIZATION TO APPLY THE UL MARK

TAIWAN OFFICE –

March 22, 2005

I-Star Computer Co., Ltd.
2nd Fl 33 Lane 42 Chung Shin N St San Chung
Taipei Hsien Taiwan 241

Attention: Mr. David Yeh

Reference: File E155314 Project 04CA24292
Product: Switching Power Supply, Redundant models: TC-300R2U, TC-350R2U, TC-400R2U, for UL and C-UL Investigation

Gentlemen:

Any information and documentation provided to you involving UL Mark services are provided on behalf of Underwriters Laboratories Inc.

UL's investigation of your products has been completed under the above project number and the subject products were determined to comply with the applicable requirements.

This letter temporarily supplements the UL Follow-Up Services Procedure and serves as authorization to apply the UL Recognized Marking Mark only at the factory under UL's Follow-Up Services Program to the subject products which are constructed as described below:

Identical to Switching Power Supply, Redundant models: TC-300R2U, TC-350R2U, TC-400R2U, which were submitted to UL for this investigation. The UL records covering the products will be in the Follow-Up Services Procedure, File E155314, Volume X1, Report Reference No. E155314-A2-UL-1.

To provide the manufacturer with the intended authorization to use the UL Marks, the addressee must send a copy of this Notice and all attached material to each manufacturing location as currently authorized in File E155314, Volume X1.

This authorization is effective from the date of this Notice and only for products at the indicated manufacturing locations. Records in the Follow-Up Services Procedure covering the products are now being prepared and will be sent to the indicated manufacturing locations in the near future. Please note that Follow-Up Services Procedures are sent to the manufacturers only unless the Applicant specifically requests this document.

Products that bear the UL Mark shall be identical to those that were evaluated by UL and found to comply with UL's requirements. If changes in construction are discovered, appropriate action will be taken for products not in conformance with UL's requirements and continued use of the UL Mark may be withdrawn.

Sincerely,
